Highlight the best dishes requires aesthetics and flavor. We propose buffets with refined finishes, wholly customized according to the codes and values of your company or your private events. Excellence in the service of culinary design. VIP WAY organizes and prepares brunches, lunches, cocktails, dinners, seminars...

Elegance is invited to your reception

Gastronomy is an art... So is decoration! Our experts design and elaborate unique arrangements from flowers selected for their esthetical value and quality. Elegance is invited to your reception.

Our creations are tasty and generous, also practical and simple. Authentic and exotic flavors, natural colors and pleasant... But always the taste and the fun! Great temptations for intense enjoyment.

More than a trend, the attraction for the vegetarian is a real art in life style. VIP WAY proposes a large variety of pieces composed exclusively vegetarian ingredients, gourmet and energizing flavors.
